

## SBC Yahoo! EMAIL ATTACHMENTS

- 1 Create (write) an email, as normal

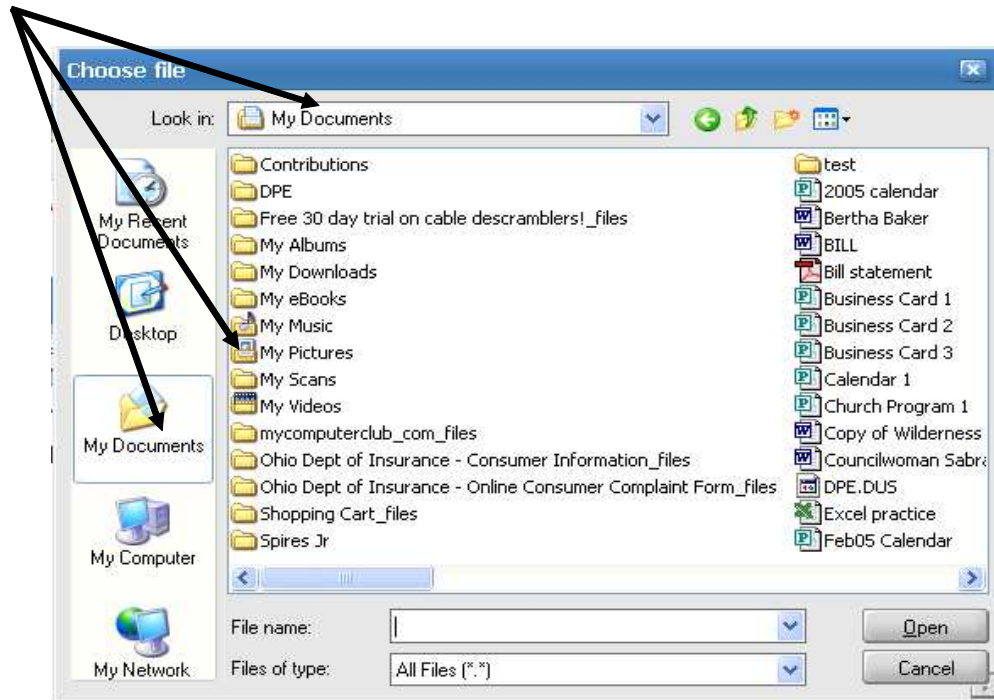

- 2 Click **Attach Files**

- 3 Click one of the **Browse** buttons to locate and select the file you wish to attach...

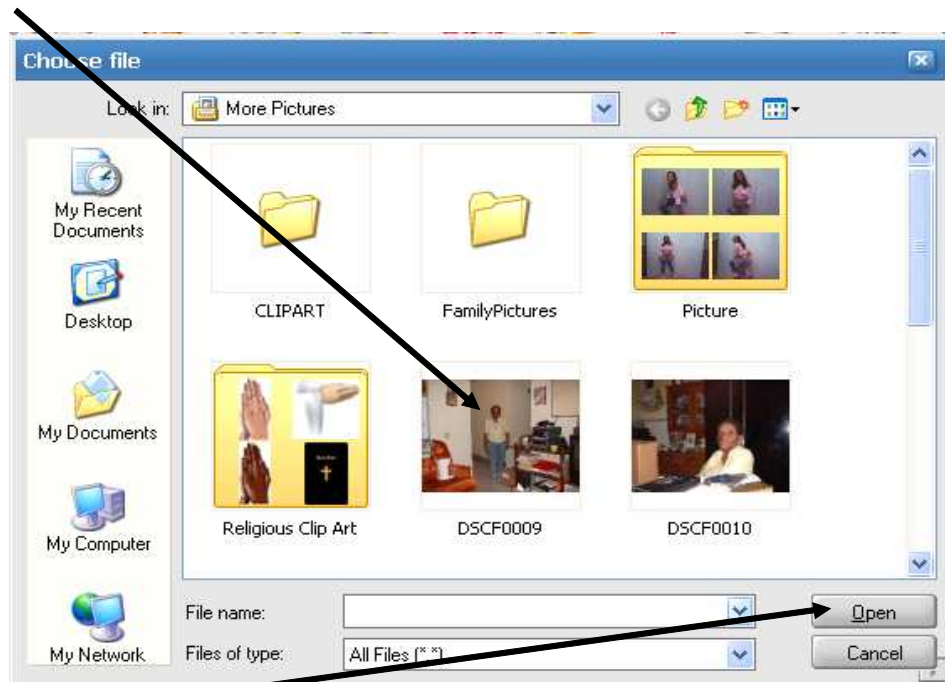

4 Click (to "Look In:" ) the appropriate folder, to locate the file you wish to attach....

( page 2)

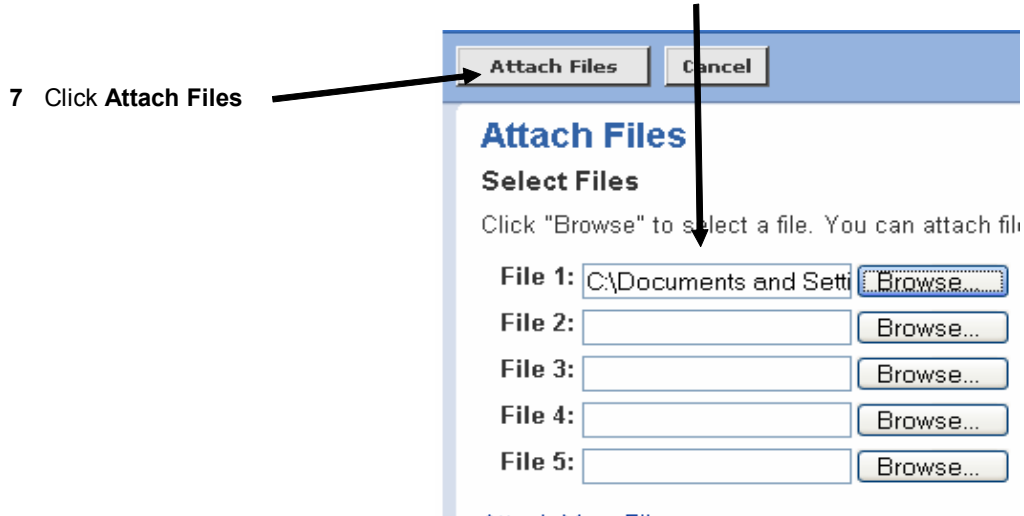

5 Click to Select the file you wish to attach

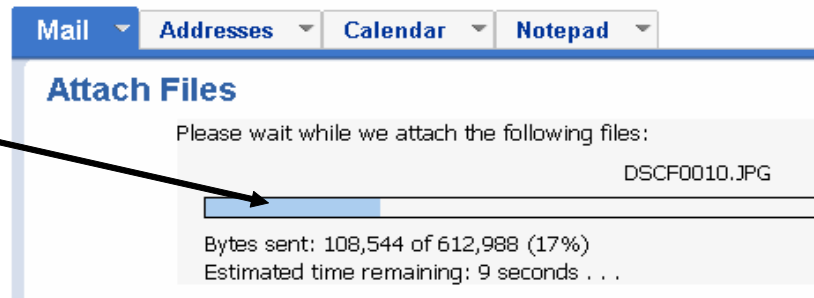

6 Click Open

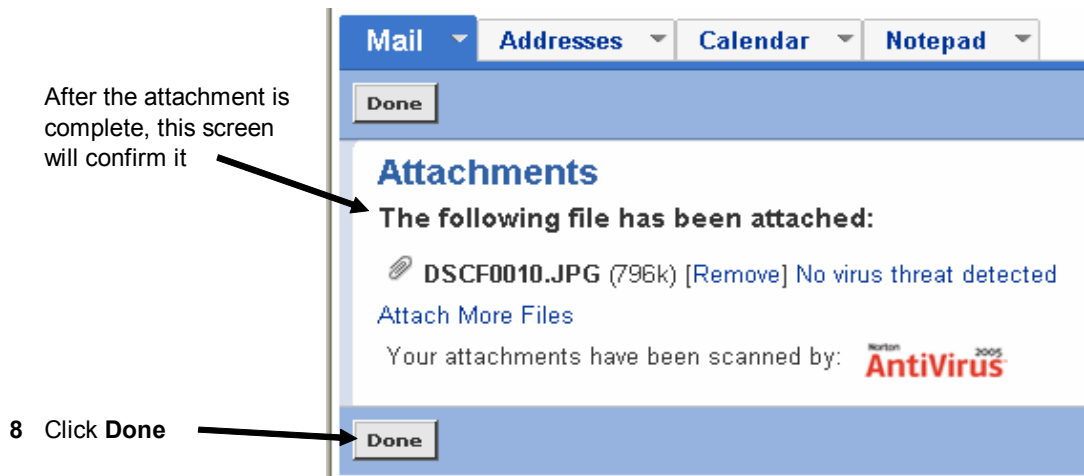

The location of the file you chose will be listed next to the corresponding **Browse** button

Wait while the file loads... the progress bar will indicate when it is done

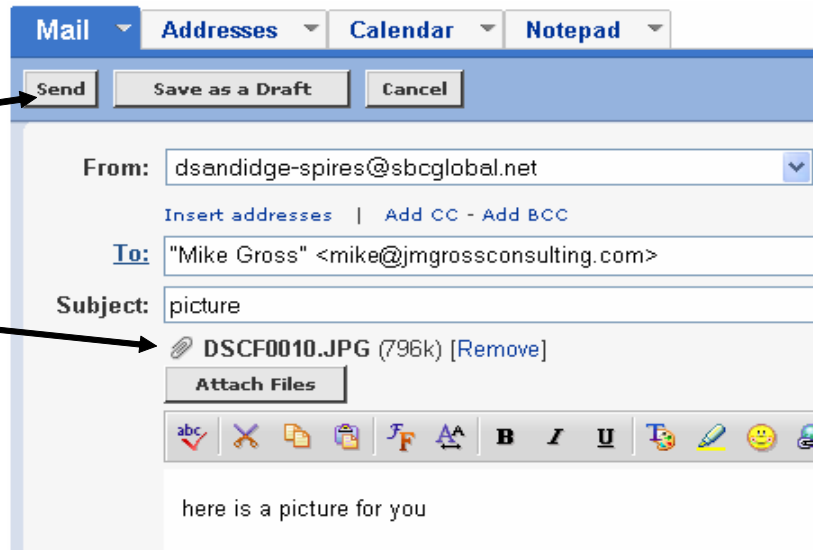

After the attachment is complete, this screen will confirm it

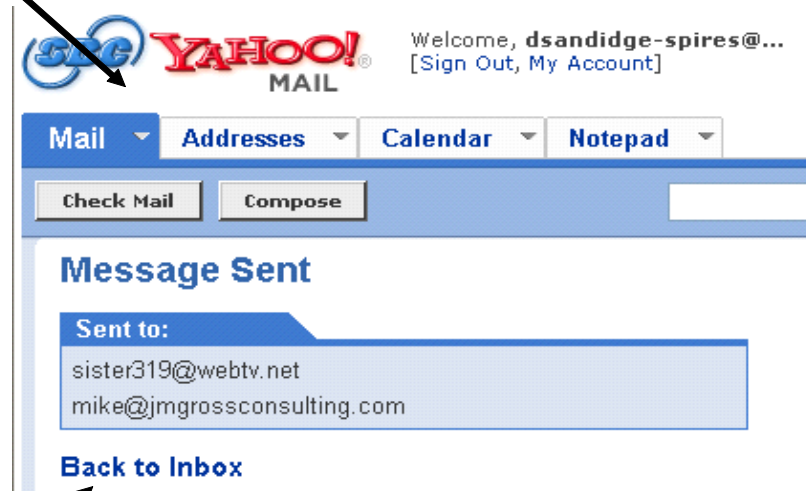

9 when ready, "Send" the email

The "attached" file will show up on the email here

After the email has been sent, you will see this confirmation window...

10 Click **Back to Inbox** to return to your "incoming" mail list...
